

Lend A Hand 2nd ANNUAL

Caregiver Fair – Boulder City, Nevada

Saturday, March 18, 2017

10 a.m. to Noon

Boulder City Recreation Dept.

900 Arizona St.

(Use side entrance)

Caring for a sick or aging loved one can be an overwhelming experience– but help is available.

Lend A Hand of Boulder City is hosting its Second Annual Caregiver Fair providing caregivers with valuable information on community resources and services in an effort to help family caregivers with relief from their daily responsibilities and support for them to continue their important role.

Through a generous grant from Dignity Health, Lend A Hand is continuing its respite care services. We are looking for caregivers who are in need of respite care services. Lend A Hand has partnered with two personal care agencies to assist seniors who need transportation assistance.

FREE event:

- Visit with exhibitors to learn more about resources and services available.
 - Enjoy refreshments provided by Albertsons.
 - Flu shots offered by Sav-On Drugs.
 - Door prizes and giveaways!
