The mission of LEND A HAND is to help Boulder City seniors and disabled residents remain in their homes as long as feasible. In 2017:

- * over 350 residents who required transportation to medical appointments, shopping, and personal care needs were served
- * volunteer drivers drove 83,321 miles
- * respite for care givers, companionship and light housekeeping were provided
- * home-care services beyond the scope of volunteers were provided in partnership with Right At Home and Home Health Care Specialists
- * Lend A Hand's cost per client was \$166/year compared to over \$75,000/year in an assisted living facility

There is no cost to receive Lend A Hand services-services are donation based. Lend A Hand is funded by the generous support of Boulder City residents and organizations, and state, federal and private grants.

For information on becoming a volunteer call the Lend A Hand Office, 702-294-2363.
